## Call for Abstracts

# 2008

# Queensland Protein Group

# Student Research Awards

The Queensland Protein Group is calling for applications from Honours and PhD students to participate in the inaugural QPG Student Research Awards.

Students will be selected from abstracts to give a short presentation on their research, with several prizes awarded for travel to the 2008 Combio Conference in Canberra.

Please visit

<http://compbio.chemistry.uq.edu.au/QPG>  
for information and submission of abstracts.

The event will be held on Monday 16th June 2008 at the University of Queensland  
Abstracts are due by Friday 23rd May, 2008.
